Staff Happenings

In late August, the Dental Depot team traveled to Columbus for the annual Ohio Dental Association (ODA) meeting. Dr. Willen, Dr. Ghering, Donna, Vicki, Julie, Kim and Lisa spoke with vendors and dental supply representatives at the Columbus Convention Center and also enjoyed some team bonding at Easton Town Center!

Dr. Don Willen
Dr. Don Willen and his wife Carole are now proud grandparents. Their son (Ben) and daughter-in-law (Heather) welcomed their first child, Owen Patrick Willen, on October 27. Dr. Willen opened the Dental Depot 22 years ago.

Dr. Robert Ghering
As you likely know, Dr. Robert Ghering joined the Dental Depot team in July. Dr. Ghering earned his D.D.S. degree from Indiana University School of Dentistry and was most recently in Columbus as the chief dentist at the East Central Dental Clinic and an adjunct professor for the Ohio State College of Dentistry. Dr. Ghering’s wife, Abby, is a native of Cincinnati. The Gherings have two sons, Adam (3) and Jack (9 months). Dr. Ghering has enjoyed getting to know current patients and looks forward to meeting those whom he has not yet met when they come in for an appointment.

Donna
Donna is proud to celebrate her 20 year anniversary at the Dental Depot. She also has a new addition to the family—a beautiful puppy named Jackson.

Kim
Congratulations to Kim on the birth of her first grandchild! Aiden Victor was born on November 18. Kim has been a dental assistant at the Dental Depot for 15 years.

Julie
Julie welcomed her first niece, Isabel Grace, in November. Julie has been the Dental Depot hygienist for the past 9 years.

Lisa
In March of 2009, Lisa’s first grandson joined the family, making her a grandmother of two. Lisa has been a dental assistant at the Dental Depot for 5 years.

Vicki
A newer face in the office, Vicki has been working at the front desk since August of 2008.

Ask the Dentists

What can I do to make my smile look brighter this holiday season?

Many patients ask us how to make their teeth whiter. Of course, continue to brush after every meal, as well as flossing once a day. If you haven’t had your regular cleaning, polishing your teeth at the Dental Depot is a great way to start.

You might also consider whitening your teeth. Several over-the-counter products do exist; it is important to have your dental cleaning before purchasing these products so we can discuss your options with you.

The best way to ensure a brighter smile is to have professional whitening at the Dental Depot. For a limited time, we are offering a $50 instant savings per arch. Please call 513-941-2000 to make an appointment. Your smile is worth it!

Whistle Stops Around Town

Did you know that October was Oral Health Month? The Dental Depot Team spread the word about healthy smiles at the Cleves Health Fair and also gave toothbrushes to local schoolchildren before Halloween.

Julie, Dr. Ghering and Kim at the Cleves Health Fair on October 21.

Happy Holidays from the Dental Depot Team!

We wish you a happy and healthy holiday season and a great start to 2010!
